

Our Beauty Rituals

**SOS Kit/
Instant calm** The skin is treated with products to calm the irritation and to alleviate redness, swelling and sensations of tension, measurably reducing the skin's sensitivity.

Fire & Ice The special Thermo Peel Mask Cranberry is an earth-based skin smoothing exfoliating mask with dried and crushed cranberry components. The skin sheds its grey veil, smoothes the complexion and fights skin aging. In contrast, the icy chill of the Deep Xpress Hydro Mask will give a "freshness kick" and replenish the skin with a moisture dose!

Tan Free Get rid of those tan lines instantly. The gentle, effective de-tan, along with peach kernels work hard to banish the tan. Skin brightener licorice extract is the all rounder, which evens the skin, soothes as well as gives it the finishing touch while the skin enjoys a mask break.

**Demanding
Basic** The skin is treated with Brightening Face Cleanser and Brightening Face Freshener. After exfoliation the finishing Age Defying Cream Mask leaves the skin feeling pampered, youthful and silky-smooth

**Fair Skin
clean up** A light textured creamy foam sets the mood for this in depth cleanup for your skin. Followed by a thorough yet gentle, deep cleansing and skin polishing, the skin is rid of all the deep set comedons and then left with a pampered, soothed, even skin profile in no time.

Guide to success at your Salon with Janssen Cosmetics

Calm the Senses A pH neutral cleansing mousse instantly settles irritated skin and we start the journey to relax and calm the skin. Fragrance and paraben free sensitive skin massage and nourishing cream mask reduce your skin's irritation in no time and the skin is left calm, soft, supple and pampered.

Pore No More Restore blemished problem skin to normal skin. Clarifying and soothing combination of active ingredients like salicylic acid open pores, loosen dead skin cells, soften comedones and eventually completely remove them. Instantly visible, noticeable and sustainable improvement of the complexion.

Aqua Love Improves your skin's moisture dose by up to 25% within no time. Makes your skin feel fresh, soft and supple with a clear and refined finish. An instant cooling treatment for your skin.

JC Experience (For Men) Effective skin brighteners strike a balance between the tough male skin and its demands. This facial is designed to deep clean the skin, remove all signs of tanning and infuse the skin with a dose of nourishment just enough to restore the natural balance and even skin tone of the male skin

Chin-up (Double Chin) Work on the loose skin under your chin! With age and sagging skin comes loss of elasticity and this can show up as a double chin. With this innovative treatment, we work on these loosened skin tissues and give it a nice warm boost and leave you wanting to shoot flying kisses to the sky in no time! Don't let that double chin take you away from showing off your features. Our Chin Up treatment effectively brings a lift to the double chin and enhances the contours to bring a more chiseled look to your persona.

Guide to success at your Salon with Janssen Cosmetics

Radiant Boost Let your skin breathe with the improved flow of oxygen from the first step. Declogged, the skin enjoys a thorough cuddling with the Instant Soothing Oil. Filled with the goodness of Macadamia nuts and skin strengthening actives, the special active ingredient concentrate doubles up as a special massage medium. Pomegranate extracts and Vitamin C with a fresh, floral fragrance, lend the final radiant boost.

Demanding Skin The skin is treated with Brightening Face Cleanser and Brightening Face Freshener and dead skin cells are gently removed with a pleasantly stimulating peeling cream which visibly soothes the complexion. A lifting massage, followed by the Age Defying Cream Mask maintains the youthfulness of demanding skin and cares for it, leaving the skin looking more than beautiful.

Fruit Acid Skin Renewal Get fine pored, soft, smooth and supple skin back in no time with this special fruit acid skin renewal system. The Multi tasking skin refining treatment is rounded off with a skin specific mask to give your skin the perfect balance and nourishment it deserves.

Guide to success at your Salon with Janssen Cosmetics

- Back to Basics (Fair Skin)** All skin types will benefit from this back to basics facial. The pleasant fragrance, effective skin brighteners and instant hydration dose, blended with our signature massage transform your skin back to your natural skin tonality and suppleness within no time.
- Power of 5 (Vitality Boost)** The Power of 5 treatment with fruit extracts of Vitamin C, Blueberry, Kiwi, Line, Goji and Pomogranate gives the skin maximum vitality and freshness. The innovative formula leaves a re-energised glow and instant brightening on your skin. Infused Vitamins help to strengthen your skin against daily environmental damage and stimulate the natural production of collagen and elastin, making the fine lines and wrinkles go away.
- Dark Circle Eye Treatment** Relieve stress and digital strain with this special eye treatment which effectively combats dark circles, reduces puffiness and fine lines. It additionally supports the delicate eye area with skin strengthening peptide complex and is the perfect treatment for young and mature alike.
- Bridal Glow (Basic)** A designer facial for you! After all, it is a wedding and that deserves the best. You can sit back and relax, while we work on giving you an even, bright, radiant skin and concealing those fine stress and dehydration lines.
- Instant Glow** Watch dull, pigmented skin transform into a bright, even-toned radiant complexion in no time with the effective plant-based skin brighteners.

Guide to success at your Salon with Janssen Cosmetics

Demanding to Radiance The skin is cleansed, toned and exfoliated for visibly smoothing the complexion. Once the skin is normalized, the next step is infusing highly specialised active substance concentrates which penetrate deep into the skin to stimulate cell renewal and combat the premature breakdown of collagen fibres. A stimulating skin massage with **Lifting & Recovery Cream** ensures increased resilience and elasticity and acts to combat premature skin aging. The final peel off **Acerola Vitamin C Mask** stimulates collagen synthesis and promotes skin lifting from the depths. The end result is a skin feeling pampered, lifted and youthfully radiant.

Vita Infusion Bridal The exfoliator contains finely ground peach kernels which removes dead skin cells effectively and smoothes the complexion. The cream mask (**Pomegranate Cream Mask**) is a vitalizing, anti-aging mask and the optimum instant booster for tired skin, the massage cream's highly effective **Vitamin C** stimulates the synthesis of new collagen, which delays the skin's aging process and leaves the skin looking smooth straight away. It also helps in reducing age spots. The peel off mask with **Acerola berries** has high **Vitamin C** content and provides a finishing effect to the treatment.

Caviar Absolute Reduce the interim depth of your wrinkles with this “black gold” from Janssen Cosmetics. It revitalises the skin’s metabolism, and the renewed energy promotes skin elasticity and a fresher complexion. Additionally, it makes the skin feel like silk. Here is the perfect luxury for your skin without the care.

Guide to success at your Salon with Janssen Cosmetics

Mirror Mirror The skin is cleansed, toned and exfoliated for effective brightening. Once the skin is normalised, the next step is infusing highly specialised active substances with effective skin brighteners which penetrate deep into the skin. A stimulating skin massage with the special Brightening cream inhibits melanin synthesis at its very source and supplies the skin with lots of moisture. The final Botanica White Mask offers a tightening and brightening effect to the facial. The end result is a skin feeling relaxing, pampered and beautiful.

Younger You A luxurious cleansing balm with raspberry stem cell extract & murumuru butter immediately calms the skin while cleansing thoroughly. The gently exfoliated skin is then pampered with rich anti-aging cream containing red clover extract & kombucha. An infusion of apple stem cell extract and then a thermal moulding mask hydrate & firm the skin tissues and bring back a younger you!

Collagen Booster Give aging skin the ultimate lift with this native soluble collagen boost. The soft buttery, pampering cleansing prepares the skin for this hydrating, anti irritation mask which binds to your skin closely to infuse an ample dose of collagen fibres to renew the skin's natural cushioning and elasticity. Infuse your skin with a super dose of collagen fibers to strengthen your skin and its inherent strength. Watch the lines and years reverse in no time.
